Montreal Blue Jay's making a return to the playoffs for the first time since 2013.. The guys also talk about the one game they're gonna go watch this week and what project to checkout. A few dudes listen to some music, yell out some streamy things, and then have a Star Wars casual table talk about spoilers and stuff. then some theme reveals, and finally near the end of the episode, a few dudes throw around some pron and talk about Snowpiercer. We're finally closing in on the end of the year, and the guys want to end with a bang. We're also closing in on the end of the franchise, with the New York Rangers having already clinched a spot in the Stanley Cup playoffs and the Carolina Hurricanes potentially falling out. Luckily, we have deep thoughts and a couple other things on the table. So spend as much time as you'd like spending alone in your bathroom listening to men talking and laughing, and then maybe listen to the episode. (The guys are cracking themselves up.)

Regardless of the outcome, we've got a good one, and we hope you've enjoyed listening in this year. And we'll see you next year!
