Footwear Worn Limited

Company Profile

Founded in 2009, Footwear Worn Limited has developed video games using hardware that is based on a proprietary system, and a few of them have been released in the domestic market. The first game under the company's brand's policy, The World Next Door!, was released in 2015. Going forward, we aim to develop games using diverse development tools and continue developing smaller, domestic-oriented titles that have already begun to achieve success.
