3. How to save a video to your computer? Â· You just need to choose the open file format when you are saving your video in an AVI format, after that, drag your video to the destination folder.Q: Make Dropdown Data Find Primary Key using Computed Field? I have a table with 2 fields: CKEY, and CSTYPE. And a computed field: CSTYPE\_CKEY I want that, when i select a value on the dropdown, it finds the record's primary key in the table, not in a separate table. A: You can't do this directly in ArcMap; however, you can compute a lookup table that will do the job of finding CKEY first (and CKEY\_CKEY will do the second). This answer will help you compute a table. There are answers on this site that will help you populate the lookup table. Q: Tkinter - Using lambda does not return the value of the 'combobox' for a variable. I have tried the code below: import Tkinter main = Tkinter.
